

Martin Luther at the Diet of Worms

In 1521, Martin Luther appeared before the Diet of Worms in Worms, Germany. The church leaders wanted Luther to deny all the truths that he had written about. Luther could not do this. Copy what Luther said to the church leaders on the lines below.

“My conscience is captive to the Word of God. I cannot recant anything, for to go against conscience is neither right nor safe. Here I stand. I cannot do otherwise. God help me. Amen!”
